9 March, 2019 Prayer Letter

Dear faithful prayer and financial supporters:

Thank you for your faithful prayers and support. With over 90% coming in and our flight already purchased, we are spending our last bit of time in the US wrapping up loose ends. The details are listed below.

On March 23rd, we will celebrate 40 years together. We met in Germany, we were married in Copenhagen, and have traveled a lot over time. The journey continues soon, as we finally will be able to return to Ukraine on the 3rd of June. We are excited about all of the new opportunities we have to serve the Lord again where God has called us.

We still have 10% to raise and ask that everyone pray that God would supply the rest of the support needed, as well as the funds to ship the tracts, Bibles, equipment, and personal items we need on the field. \$2200 is what is needed, and so far, \$630 has been raised.

Please also pray that we can sell our 1999 Shasta Travelmaster motorhome. It needs some detail work, but runs and functions well, in spite of being 20 years old.

Many folks lately have asked us how we will “hit the ground running”. Actually, we have 3 months to acquire the residency permit. But even though we will be busy trying to get physically and administratively settled, the summertime is camp time. Most of the young people get saved at camp, so there will be some of that also in our schedule.

The Timothy Initiative material is already being translated, therefore training and implementation should start in the fall.

Thank you, once again, for all you do. Thank you for your prayer support, as well as your financial support. We are indebted to everyone who cares about souls in Ukraine. You pray and give so that they may be saved. Please pray also that God will send forth more laborers. Just as it was 25-30 years ago, Ukraine is once again wide open and ripe already for harvest!

In Christ,
Glen and Eve Williamson
